

1. CHANTECAILLE LIP STICK IN HIBISCUS
Chantecaille Lip Stick provides definition, a creamy texture and a startlingly intense, saturated color. Now in Hibiscus, the perfect peach, Lip Stick includes pure pigments that are coated to make them impervious to water and oil, beeswax, vitamins A and C and emollient amino acids. **CH-162** 0.11 oz **\$33**

2. CHANTECAILLE LUMINOUS GLOSS IN LYCHEE
This long-wearing lip luxury features revolutionary shiny polymers produced just for your pout. The result? A 3-D glass-like 'wet' look that lasts for up to 6 hours. The shine-boosting formula also boasts water-binding molecules for maximum moisture and smoothing benefits. **CH-139** 0.26 oz **\$34**

3. CHANTECAILLE BRILLIANT GLOSS IN MODERN
What makes this gloss so brilliant? It could be the way it hydrates lips for a soft, supple, shiny finish. Maybe it's the fact that it gently plumps your pout with microspheres of organic wheat protein (rather than irritants). Or it might be the innovative 'jellified' system that helps it stay on your lips for the long haul. **CH-136** 0.1 oz **\$33**

4. CHANTECAILLE SAVE THE BEES PALETTE
To raise awareness for the plight of bees, Chantecaille created the Save the Bees Palette, a refreshing eye-and-cheek set that artfully fuses the beauty of nature with spring 2014 runway trends. Five percent of proceeds will be donated to the Xerces Society, which helps protect bees and the environment. **CH-159** 0.46 oz **\$83**

5. MAI COUTURE 2 IN 1 BRONZE AND BLOT PAPERS (SIN CITY)
Oil-blotting, glow-giving sheets. Mai Couture's Bronze and Blot Papers trade in shine for a luscious bronze glow. Tear out a single sheet and, with a rolling, pressing gesture, blot and bronze as much of your face as you please. No muss. No fuss. Use it over or instead of makeup, over moisturizer or just bare skin. **MAI-01** 100 sheets **\$17.50**

6. MAI COUTURE BLUSH-IN-A-RUSH PAPERS
Quick and easy, on-the-go blushing papers. Here's the rub. You're late for a date, off to the office, or just stumbling out of bed. You look pale. Here's the fix. Mai Couture's Blush-in-a-Rush papers. Tear one out. Smooth over cheeks. Your color's back and you look beautiful! That easy. That fast. That much of a life-saver! **MAI-03** 50 sheets **\$17.50**
